

**Don't lie around!!
Space is limited &
will fill soon...**

These camps will be our ninth year of summer baseball camps. Our camps have been designed to address all the areas for a great experience; skills, one-on one instruction, game play and great fun.

We insure that all of our campers will leave with a sound knowledge and skill level. At no time, will any camper be in an environment neither beneath or above their skill level. It is of the utmost importance that we provide a safe and meaningful experience.

It is our goal to take these summer camps and apply all of the needed skills and drills we desire in our young baseball players of today.

We are excited to be offering additional camps through the City of Santa Cruz's Parks & Recreation Department. We will be offering a popular beach camp, shorter and less intense day camps, and specialized hitting, pitching and All-Star player camps. Please visit the Parks & Recreations website:

www.ci.santa-cruz.ca.us/pr/parksrec

for registration and additional information.

We look forward to seeing you this summer!
